[Default Arrangement]

Intro: Dm /// | /// | x2

## VERSE 1

Tossed to and fro  
As dark waves start to grow  
The evening breeze has turned  
Violent waters are now stirred  
Ships find their way  
To the bottom of a deep blue grave  
As those aboard believe  
That hope lies where they be

## VERSE 2

The chant of those that sink  
The world does also sing  
"Were safe here in our ship  
Trust the boat and hold your grip"  
The lies are all around  
and truth is hardly found  
But burning this sailors heart  
Is the way of the set apart

## PRE-CHORUS

Yahshua is my rock and salvation  
I trust in His foundation

## CHORUS

Hes my anchor when i'm wrestling the storm  
He's my anchor I rely on in the war  
He's my anchor I shall not be afraid  
No weapon formed against me shall prosper  
For surley He is my anchor in the storm

Hope that never dies
